12:15-1:30pm Lunch (provided)

1:30-3:00pm Breakout sessions

Room 1- Regulatory Track

- 1:30-2:10pm **Implementation of C&T plans- 2-5 year outlook**- who has already begun the transition process, who is gearing up, what does that entail and how does it involve educators and program implementation
- 2:10-2:50pm **Mosquito Treatment in the O&T World**- new users, new issues- a discussion on the rise in residential and light commercial mosquito treatments, enforcement compliance and complaints, training needs, etc.

2:50-3:10 BREAK – game time!

- 3:10-3:50pm **Enforcement Data and Implementation in PS Education programs** How is data collected, how is it shared and how are educational programs utilizing the information to build meaningful program topics?
- 3:50-4:30pm **Label-mandated training** Where does it fit into the regulatory and PSE program development? What obstacles are there to distribution and access? Is it making a difference?

Room 2- Programming Track

- 1:30-2:10pm **Online recertification and precertification discussion panel** Private industry resources, PSEP required developments, state needs. How do these intersect, support or undermine C&T efforts across all users.
- 2:10-2:50pm **Innovative PSE programs**- share programs, resources, activities, publications, successes, in PSE

2:50-3:10 BREAK – game time!

- 3:10-3:50pm **Communicating Science to Non-Science Audiences- Game Show Style** Use of infographics and converting research graphs to applicators, translating scientific information into other engaging forms, how to “sell” your message and influence behavior change.
- 3:50-4:30pm **Where’s the money?** PSEP support options outside of EPA funds

4-5:00pm Complimentary wine social hosted by hotel
6:30-8:30 Awards Dinner Main ballroom
8:30-10pm Team Games-location TBD- *optional*
